ASSOCIATE DUES

Effective: January 1, 2023

Associate Members (voting members) shall be aggregate producers, aggregate suppliers, equipment manufacturers or distributors, material suppliers or material haulers, ready mix concrete producers, not actually engaged as paving contractors, doing business with, for, or in support of the Portland cement concrete pavement industry in the southeast region whose interests and objectives are in improving the quality of concrete pavements or in the promotion of concrete pavement and the purposes of the Association as stated in the Bylaws.

National membership is not required for ACPA-SE Chapter associate members that do business locally only. If you choose to join National, membership benefits include member rates for publications, educational courses (including webinars) and the annual meeting.
